Action Taken Report

Resolutions taken in the IQAC meeting (14.09.2017)

Following resolutions were taken:

1. The report of feedbacks from different stakeholders namely students, parents and teachers are discussed thoroughly by the members and shortcomings are brought to the notice of the Principal.
2. Discussion were made on the existing ICT facilities in the college and steps to be taken for enhancing this facility in the campus by procuring more ICT tools such as projectors, Laptops, smart boards etc.
3. Adequate measures are to be taken for cleaning washrooms regularly.

Follow up actions:

Following decisions have been taken:

1. (a) Principal requested the teachers to overcome the shortcomings, like extension of time of borrowing and keeping of the library books.
(b) Teachers were requested to take more tutorial classes to meet the demands of the students.
2. A smart board was bought for the college and existing ICT facilities were developed. IQAC assisted the various departments by preparing time schedule for conducting ICT based classes. More computers and projectors have been installed for imparting digitization.
3. The sweeping staff was changed and initiatives of proper cleaning of the washrooms were taken.

Countersigned
